Living history & Potential for recruiting.

From Dawn Chere Moss

Aug 3-5,2018 is Vernonia Friendship Jamboree and Logging Show. Officially starts at 5 pm Friday though some vendors set up Thursday and others are ready for lunch Friday. Saturday and Sunday are the big days.

If you can't come for the whole weekend come for the parade it starts at 11 am Saturday. Parade route is about a mile long. (Give or take a few blocks.) we start at city hall and walk to Napa down Bridge Street (Main Street of town).

We have been invited to set a street or two of reenactors to do living history and some recruiting.

I'm working setting up firing times with the police and fire depts to set off guns and artillery. Now all I need are reenactors.

Confederate
Union
Artillery
Cavalry

Set up Friday (maybe able to swing Thursday) breakdown is Sunday evening.

This is a town with lots of equestrians. During Jamboree weekend our 2500 population doubles and sometimes triples from all over. The Jamboree committee is very interested in having us attend their 61st annual event.

I've gotten above ground fires approved unless we're at fire industrial level 3. We'll probably be in Spencer Park.

Water and porta potties available. I'll have a small amount of wood and if enough interest I'll find more.

If interested please email Dawn at secretaryoregonzouaves@gmail.com I need to let them know how big of a space we need. (I told them at least a street worth 40x100)

I will also be in 1st LA camp all week at Antique Powerland.
