

Release of Liability for Participants in Northwest Civil War Council Equine Activities

If you intend to ride, drive, groom, ride as a passenger upon and equine, or ride as a passenger in a horse-drawn vehicle at an NCWC-sponsored event, you are defined under Oregon law as a "participant in an equine activity" and must sign this release.

I understand that participating in equine activities, as defined under the Oregon Equine Activity Statute (ORS 30.687-30.697), involves inherent risk. As a condition of participation in equine activities at events sponsored by the Northwest Civil War Council, I, the participant, waive the right to bring an action against the Northwest Civil War Council (NCWC) for any injury or death arising out of riding, training, driving, grooming, or riding as a passenger upon an equine.
